## D2. Changes to prescription drug coverage

### Changes to our Drug List

An updated *List of Covered Drugs* is located on our website at [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect). You may also call Member Services at 1-855-464-3571 (TTY: 711) from 8 a.m. to 8 p.m., Monday through Friday for updated drug information or to ask us to mail you a *List of Covered Drugs*.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the Drug List to **make sure your drugs will be covered next year** and to see if there will be any restrictions.

If you are affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
  - You can call Member Services at 1-855-464-3571 (TTY: 711) from 8 a.m. to 8 p.m., Monday through Friday to ask for a list of covered drugs that treat the same condition.
  - This list can help your provider find a covered drug that might work for you.
- Ask the plan to cover a temporary supply of the drug.
  - In some situations, we will cover a **temporary** supply of the drug during the first 90 days of the calendar year.
  - This temporary supply will be for up to 30 days of medication at a retail pharmacy and at a long-term care pharmacy, up to 31 days. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5 of the *Member Handbook*.)
  - When you get a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.
    - If you have been in the plan for more than 90 days and live in a long-term care facility, we will cover a one-time 31-day supply, or less if your prescription is written for fewer days. This is in addition to the long-term care transition supply.

---

**If you have questions**, please call Health Net Cal MediConnect at 1-855-464-3571 (TTY: 711) from 8 a.m. to 8 p.m., Monday through Friday. After hours, on weekends and on holidays, you can leave a message. Your call will be returned the next business day. The call is free.

**For more information**, visit [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect).

- If you are moving from a long-term care facility or a hospital stay to home, we will cover one 30-day supply, or less if your prescription is written for fewer days (in which case we will allow multiple fills to provide up to a total of a 30-day supply of medication).
- If you are moving from home or a hospital stay to a long-term care facility, we will cover one 31-day supply, or less if your prescription is written for fewer days (in which case we will allow multiple fills to provide up to a total of a 31-day supply of medication). You must fill the prescription at a network pharmacy.

Most Drug List exceptions will still be covered next year.

### Changes to prescription drug costs

There are two payment stages for your Medicare Part D prescription drug coverage under Health Net Cal MediConnect. How much you pay depends on which stage you are in when you get a prescription filled or refilled. These are the two stages:

<b>Stage 1</b> <b>Initial Coverage Stage</b>	<b>Stage 2</b> <b>Catastrophic Coverage Stage</b>
<p>During this stage, the plan pays part of the costs of your drugs, and you pay your share. Your share is called the copay.</p> <p>You begin this stage when you fill your first prescription of the year.</p>	<p>During this stage, the plan pays all of the costs of your drugs through December 31, 2019.</p> <p>You begin this stage when you have paid a certain amount of out-of-pocket costs.</p>

The Initial Coverage Stage ends when your total out-of-pocket costs for prescription drugs reaches \$5,100. At that point, the Catastrophic Coverage Stage begins. The plan covers all your drug costs from then until the end of the year. See Chapter 6 of your *Member Handbook* for more information on how much you will pay for prescription drugs.

### D3. Stage 1: “Initial Coverage Stage”

During the Initial Coverage Stage, the plan pays a share of the cost of your covered prescription drugs, and you pay your share. Your share is called the copay. The copay depends on what

**We moved some of the drugs on the Drug List to a lower or higher drug tier.** If your drugs move from tier to tier, this could affect your copay. To see if your drugs will be in a different tier, look them up in the Drug List.

The following table shows your costs for drugs in each of our 3 drug tiers. These amounts apply **only** during the time when you are in the Initial Coverage Stage.

## **G6. Getting help from the California Department of Managed Health Care**

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-855-464-3571 (TTY: 711) from 8 a.m. to 8 p.m., Monday through Friday and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you.

If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance.

You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet Web site <http://www.dmhc.ca.gov> has complaint forms, IMR application forms and instructions online.
